## Duron Shelves

### Material

Injection Molded, the Duron shelves are engineered to be extremely strong and durable, yet lightweight. They cannot chip. They are color impregnated throughout. The woodgrain finishes are extremely durable. A highly technical process applies wood grain to the shelves by imbedding the colors into the surface of the shelves.

### Brackets Required

12" Shelf Brackets should be used with the 13" Shelves, and 14" Brackets with the 15" Shelves.

**Finishes Available**  
Solid Black, White, Grey, Almond and Clear Frosted. Also Hard Rock Maple, Light Oak, Medium Oak, Walnut, Mahogany, Velvet Cherry, Black & White Marble, Cracked Cherry, Matte Gold, Satin Chrome.

## MELAMINE SHELVES IN SOLID COLORS

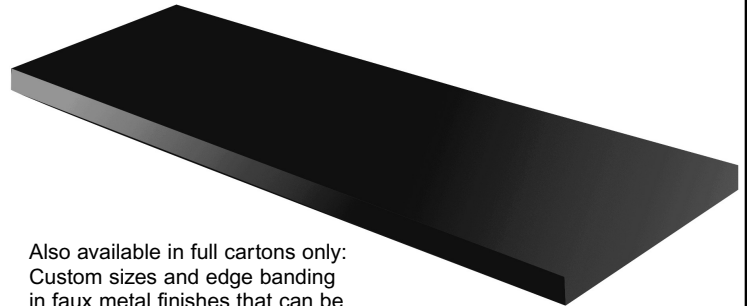

All shelves have matching edge banding on 4 sides.  
Thickness: 3/4"
