\$70.00 ea.

Mini Dome/Faux Security Camera

Have a full view of your customers' activities with this handy 8" Diameter dome mirror. Simulated security camera lenses and flashing red light create the illusion of constant video taping of every corner of your store.

Rack Security System

For the budget-conscious, this has been one of the most popular anti-shoplifting devices for decades. The 1/8" heavy duty, 8' lasso cable is very difficult to cut. The lock box easily accommodates up to 25 cables and can be mounted to most upright fixtures. The 8' cable length allows customers to easily try on an article that is securely tethered to the display stand.

ITEM	DESCRIPTION	PRICE
SK-333	Cable Coat Lock Housing w/T-Bar Chrome	\$22.00 ea.
